Welcome to the IFRS Foundation website

To complete your registration there are two steps to go through. This will allow us to understand a bit more about who you are. The information is used only by the IFRS Foundation to understand how our website is used and to improve our digital offer, and your information is not shared with any other party.

The first step is a short form that includes information about your role and industry. The information you submit may be of value in comment letter analysis should you submit comment letters. We ask that you accurately reflect information about your role and interest in IFRS Standards to allow us to serve you better.

The second step is your first opportunity to set up 'Follows' and email notifications. This will help you to stay up to date with our work in line with your areas of interest.

You must complete these steps before proceeding. Please use the Next button to set your profile details and then your follows.
